

Forsythe II Multi-Party Monitoring Group (MMG)
MPR Community Room, Nederland Community Center, Nederland, CO
Monday, April 16, 2018, 6:00 PM - 8:00 PM
Meeting Agenda

6:00 PM Welcome and Introductions

6:05 PM Review Remaining Phase 1 Units

The MMG will discuss the remaining Phase 1 units, with the exception of Units 1 and 2, which will be discussed at the May meeting.

6:35 PM Additional Data

Marin Chambers will share resource maps for Boulder County and update the group about additional data that is available from Colorado Parks and Wildlife on wildlife in the project area.

6:55 PM Design Criteria and USFS Survey Data

Kevin Zimlinghaus will update the MMG on the design criteria and related surveys that have been done during analysis and that are expected to be completed before and throughout implementation.

7:15 PM Future MMG Monitoring Efforts

The MMG will discuss the options for future monitoring of the Forsythe II project area. CFRI has identified several options for the group to consider.

7: 45 PM Update on the Nederland Design Advisory Team (DAT)

Kevin Zimlinghaus will provide an update on the current status of the USFS discussion with the DAT.

7:50 PM Document Status and Updates

- Updated MMG timeline
- Final Roles and Commitments table
- Webinar follow-up discussion

8:00 PM ADJOURN

Next Meeting: Monday, May 21, 6 pm to 8 pm

- Phase 1 Units – Units 1 and 2
- Phase 2 Units
