Meeting Agenda

6:00 PM Welcome and Introductions

6:05 PM Preliminary Follow-up on MMG Input on Phase I Units

Kevin Zimlinghaus will discuss the USFS preliminary response to MMG input on Phase I Units. Questions for the MMG to consider:

- Is the USFS response clear and understandable?
- Is this type and format of response helpful to the MMG? If not, what would more useful to the group?

6:35 PM Phase 1 – Units 1 and 2

Dallas Masters will update the MMG on the status of the DAT's work on Phase 1 Units 1 and 2. The MMG will discuss their own Avenza points and thoughts on these same units.

7:00 PM Phase II – All Units

Marin Chambers will share resource maps for Boulder County and update the group about additional data that is available from Colorado Parks and Wildlife on wildlife in the project area.

8:15 PM CFRI Monitoring Update

8:25 PM Document Status and Updates

- Updated MMG meeting schedule/plan for the summer
- Roles and Commitments table
