Forsythe II Project: Unit 1 -- Aggregations & Patchcuts
N
fairy slipper orch
spotted coral root orchid.
start social trail/drainage trail running just east of Warehouse gulley
many large rock outcroppings
Fairy slipper orchids her and up trail
two large rock outcroppings
social trail starts up
Runoff channel (intermittent creek) crosses to priva
four trees marked to cut?
large ponderosa
shallow runoff gully line
many large rock outcroppings
two drainages converge
mixed conifer limber pine and ponderosa
runoff channel, ~3'-4' across at widest, 2-3" deep.
northwest corner of treatable area of unit 1
2 moose scat piles. wildlif
rock outcroppings
in line of north-south gully
Coyote scat. Wildlife trail.
ladder bridge corssing gully
large limber pine about 19" DBH. mixed conifer.
rock outcropping
doghair LPP with rock outcroppings
Large doug fir
east buffer drainage
drainpipe marks start of intermittent creek
two west buffer gullies coverge
spotted coral root orchid
recent elk scat
hummingbird nesting area
shallow drainage track
Spring. Mixed conifer
fairy slipper orchids
scat, bear?
shed hair. Elk? Moose?
mixed conifer
spotted coralroot orchids
moose scat
deadfall
fairy slippers
spotted coral root orchid
spotted coral root orchid
runoff channels converge. much windthrow
mixed conifer. Start shallow runoff line.
spotted coralroot orchids, several groups
"Warehouse Gulley - portion 3" - largest drainage
jackstraw deadfall
moose scat
spotted coralroot orchids
cave with exit below (den?)
moose scat. Wildlife trail
orchid
gully 1 perimeter -- very deep
moose scat. Wildlife trail. windthrow.
deadfall, abandoned treehouse?
Fairy slipper
deadfall on west buffer gully 2
deadfall, spotted coralroot orchids
spotted coralroot orchid
gully 2 perimeter -- very deep
spotted coralroot orchids
2 big beatiful ponderosas
spotted coralroot orchids
moose scat. S edge hummingbird nesting area.
elk scat,
unauthorized thinning? heavy slash.
moose scat
moose scat
elk scat
drainage pipe intersection Peakview and Valley View
