

Forsythe II MMG Landscape-Scale Discussion

NOVEMBER 19, 2018

General Approach

- ▶ **Identification of highest-priority values/features of the community**
 - ▶ *Why are these values priorities?*
 - ▶ *Are the priorities the same in all areas, or are some area-specific?*
- ▶ **Overview of USFS general approach/design criteria**
 - ▶ *What areas are automatically off the table?*
 - ▶ *Is this the same across the landscape or does it vary by unit?*

General Approach

- ▶ ***Discussion of the Landscape***
 - ▶ *What values occur where?*
 - ▶ *What options do we see for treatment?*
- ▶ ***Consideration of Options and Ideas***
 - ▶ *How can we meet everyone's needs?*
 - ▶ *Where can we find tradeoffs?*

TODAY

- ▶ **What are the highest priorities for the community?**
 - ▶ *Why are these values priorities?*
 - ▶ *Are the priorities the same in all areas, or are some area-specific?*
- ▶ **Where are the USFS no-go areas?**
- ▶ **What do we need at the next meeting?**
 - ▶ *Maps?*
 - ▶ *Of what values?*
 - ▶ *At what scale(s)?*
 - ▶ *Anything else?*
